Don’t Give Up!

A lady in the church who invited her neighbor to go to services with her, kept count of the times the neighbor refused. It came to fortynine. She pleasantly mentioned the count to her friend as she issued her fiftieth invitation at the time of a special meeting. At first the friend declined again, but later called and she said she would go. “If you’re interested enough in me to ask me fifty times to go, I will go with you and see what it is like.” She went and liked what she saw. She returned and was converted—all because someone did not give up too soon. Invite someone to services this week!
