When Confused, Come to the Light!

A moth flew into an orthopedic surgeon's office and said, in perfect English, "Doctor, I need help!" The doctor said, "What's your problem?" The moth said, "My wife left me last week. My kids won't talk to me. Last week I got demoted at work and my pay was cut in half. I'll have to sell my house and move to a small apartment, and now my car is in the shop and I getting depressed." The doctor said, "It sounds to me like you need a psychiatrist, why did you come in here? I'm a surgeon." The moth replied, "The light was on."

OK, that was really bad! But it makes an important point: When life falls apart and your whole world goes dark, ***go to the light!*** Jesus said in John 8:12, **"I am the Light of the world; he who follows Me will not walk in the darkness but will have the Light of life."**

Wouldn't it be great if life could be made new… a new start, a new light, a new future? A new life is exactly what Jesus is offering. Notice the *type* of light Jesus is offering in John 8:12, "the Light of life." Not some light of physics, not some figurative *idea* of light, but the Light of life, itself. Jesus IS the light. In 1 John 1:5 we find this precious reality, **"…God is Light, and in Him there is no darkness at all."**

King David realized that God also provides the *light* by which we take our daily steps. He knew that man cannot see the future, not even one step beyond each second, each step of life. In Psalm 119:105 he wrote, "Your word is a **lamp** to my feet and a light to my path." Every step we take can be lighted by the Light… He *is* the Light of our life!

The real question, at any point in life is, "Will I choose to walk in the light? God tells us in **1 John 1:7, "…if we walk in the Light as He Himself is in the Light, we have fellowship with one another, and the blood of Jesus His Son cleanses us from all sin."**

Let's choose, once and for all, to fly toward the Light of the world, Jesus.
