

Did You Bring Your Cell Phone Bible to Church Today?

I just wonder, as I watch what is happening in our culture these days, what would happen if we treated our Bible the same way we treat our cell phone. For instance:

What if we constantly carried it around in our purses or pockets? What if we went back to get it whenever we left it somewhere? What if we flipped through it several times a day?

What if we used it to receive messages from the text?

What if we treated it like we couldn't live without it?

What if we gave it to our kids for gifts?

What if we used it when we traveled?

What if we used it in case of an emergency?

What if we upgraded it to get the latest version?

This is something that makes you go... hmmm... where is my Bible? Oh, and one more thing. Unlike our cell phones, we don't ever have to worry about our Bible being disconnected because Jesus has already paid the bill, so we can use it all we want!
